Data Collection Plan & Raw Data Sources Identification Template

Elevate your data strategy with the Data Collection plan and the Raw Data Sources report, ensuring meticulous data curation and integrity for informed decision-making in every analysis and decision-making endeavor.

Data Collection Plan Template

Section	Description
Project Overview	This project is based on the NLP , it is a used to check the reviews that are positive or negative comments. This project is useful for the e-commers to check the review comments and show the product review to the customers.
Data Collection Plan	This data is collected from the e-commers website amazon. They collected this reviews from the customers who purchased the mobiles from the amazon e-commers. I take it from the kaggle .
Raw Data Sources Identified	Amazon product review pages for cell phones.
